CALL FOR PRESENTATION PROPOSALS

XXXI Annual Conference AMPEI 2023

The Mexican Association for International Education, A.C. (AMPEI), invites all its members and other stakeholders interested in international higher education collaboration (e.g., international education professionals, academics) to submit their proposals to participate as speakers at the

XXXI AMPEI Annual Conference 2023 "Strategic alliances and new actors in International Higher Education."

Australia will be featured as the partner country in focus at this major international education event in Mexico, hosted by Anahuac University from **Wednesday 6 September to Friday 8 September 2023 in their Mexico City Campus.**

The topics the Conference will be exploring include:

- Partnerships and best practices in internationalization
- Actors in International Higher Education
- Inclusive internationalization
- Challenges and opportunities of internationalization
- Mexico-Australia partnership or Mexico-Australia alliances

It is expected that the presentations will contribute to the understanding and discussion of the topics above, so those interested in participating are invited to share the results of research projects, evaluation experiences or analysis reports.

Proposal submissions should include:

1. Presentation topic clearly indicating:
 - Title of the presentation
 - Corresponding AMPEI topic
 - Speaker information (name, institution, position)
 - Contact details (address, mobile, email)
2. A summary of the presentation in Spanish and/or English (considering the delivery language), with the following characteristics:
 - Minimum 350 words and maximum 500.
 - The summary should clearly indicate the objective of the presentation, the type of work being presented, its relevance to the topics of the Conference and/or the objectives of AMPEI, as well as other any information considered appropriate for the evaluation of the proposal.
 - Key words (maximum 5)
3. Speakers short bio (100 words maximum, 2 speakers by presentation maximum)
4. 4. Proposals should be sent in a single file, in Word format, Arial 12 font and have a maximum length of 2 pages. If accepted, participants agree to submit the full presentation no later than Friday, August 18, 2023, with the following characteristics:
 - Text in Word format.
 - Arial font size 12
 - 1.5 line spacing
 - At least 8 pages and a maximum of 15
 - Citations in APA format

Deadline for submission of proposals is Friday, August 11, 2023.

Presentation proposals should be sent to the AMPEI Academic Coordination e-mail address: academia@ampei.org.mx with the subject: **AMPEI proposal 2023 - speaker's first name and last name.**

We appreciate your contribution to the Internationalization of Higher Education!
